

As the lotus blooms, to give the beauty of its splendour, the noble lady weaves magic into her culinary fare.

Thanying (the noble lady) first set her dainty feet on the island of Singapore in 1988, bringing with her the rich and exquisite fare fit for the royal court and the graceful service that is distinctly Thai.

At Thanying, we endeavour to relive the culinary past when only the most exquisite morsels were prepared and presented with the pomp and richness deserving of royalty.

We hope you will be delighted!
